Our Environmental Policy

- accepts responsibility for any harmful effects its operations have on both the local and global environment and is committed to reducing those harmful effects;
- will actively promote recycling both internally and amongst its customers and suppliers;
- will source and promote products to minimise the environmental impact of production;
- will measure its impact on the environment and set targets for ongoing improvement;
- will meet or exceed all relevant environmental legislation;
- will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance;
- will encourage the adoption of similar principles by its suppliers.
