

Our Privacy Policy

All customer details held on our database are solely for our own use. We do not sell or share our customer information with any other business, excepting instances where delivery by a third party carrier is requested and where that carrier requires a telephone number in order to make a delivery. We will only use customer information for purposes relevant to the enquiry and to send information we consider to be of use to the customer.

We advertise with Google AdWords and use Google Analytics to measure the success of our emarketing. If you reached our site through Google AdWords we will be alerted to this fact by way of a cookie which Google downloads to your computer, but no personal information is transmitted.

If you would like to know more about how Google handles the information it gathers, this is detailed in their [Privacy Policy](#). The use of cookies may be disabled in your browser preferences, though you should be aware that some websites may not function correctly if you do so.
